Hi Schumin, Carole and Loni,

The new 2014-2018 GPRA baseline has been uploaded into RCRAInfo already. I ran the attached two reports this morning:

1. California Detailed Baseline Report for PERMITS
2. California Detailed Baseline Report for RENEWALS

I would like to have a conference call this afternoon or tomorrow morning to discuss this baseline with you.

Would today at 2, 3, or 4 pm work for you? If not, would tomorrow at 9, 10 or 11 am work better for you?

Best regards,

Mike Zabaneh, P.E.
